

2008 JDHS State Tournament Results
Men's team are State Champions and the women's team ties for 3rd place.

Congratulations to the JDHS men's and women's varsity teams for their strong performances at the 2008 State Tournament in Anchorage.

The women tied for 3rd place while posting a 1-1-1 record in tournament play. They lost a hard fought contest in the semifinals to eventual state champion Service by a 2-1 score. They beat Wasilla 2-0 in the quarterfinals and battled last year's state champion Chugiak to a 1-1 draw in the 3rd place game.

The men captured the State Championship finishing an undefeated season with a 2-0 victory over number one seed and defending champion South Anchorage in the finals. In the semifinals, they defeated Dimond HS 2-0, and beat Colony in the quarterfinals 3-1.

In addition to those team honors, seven JSC players were given individual honors by being selected to the 2008 All Tournament Team: Rachel Tarver, Margaret Sekona, Dominic Smith, Colin Flynn, Zach Farrington, Sam Post, and Aaron Badilla.

Thanks to Sandi Wagner, Gary Lehnhart, Colin Barton, Matt Dusenberry and the rest of the coaching staff for all of their efforts in supporting these student athletes on and off the pitch. JSC is very proud of the JDHS soccer program and the high level of play and good sportsmanship exhibited by our players. JSC remains dedicated to ensuring that the opportunity to play high school soccer exists for our Juneau youth. Go Bears!
