

### Crab Feed Report

Our November 3 Live Crab Sale and Louisiana Style Crab Feed fundraisers were a great success grossing about \$6,100. After expenses the JSC netted almost \$2,300 which will offset some of our \$6,000 deficit from last year. Particular thanks go to the 3 chief organizers: Peter Ord and crew of the F/V Williwaw who caught and provided the crab; Margaret Tharp who organized the volunteers and oversaw the hall decorations; and chef Gerry Donohoe of Thyme Savour chef service who volunteered his time and talents to plan and cook a delicious meal for over 250. Thanks also to David Lendrum and the staff of Landscape Alaska, Alaska Pure Mountain Spring Water and Pepsico for donation of drinks, the staff of Tlingit and Haida Hall, Bob Janes and Mary Norcross for the slide show, those who loaned DDR and Guitar Hero games, the members and supporters who contributed baked goods for the dessert auction, and the many volunteers who helped throughout the day selling, cleaning, and cooking crab, chopping veggies, monitoring the pots, setting up and decorating the hall, assisting chef Gerry in the kitchen, serving meals, and cleaning up after the event. Thanks to the members of the Juneau Douglas High School boys and girls soccer teams for helping with setup, serving, waiting tables, being emcees, and cleaning up throughout the evening and to high school coaches Gary Lehnhart and Colin Barton for mobilizing their players. Finally, thanks club members who sold tickets and all Juneau residents who bought crab, attended the feed, and bid on desserts for supporting the Juneau Soccer Club's efforts to provide a quality, healthful and fun program for Juneau's youth.
