

Developmental Academy – 08's, 07's, and 06's

This program is for ages 4-6 and is designed to be an introduction to the beautiful game, as well as a skill-building program for children who have already played.

The emphasis in the Academy is **FUN!** Players will be learning fundamental techniques (dribbling, ball control, shooting, etc.) in a fun yet challenging environment. We look to have no more than one player to a ball, thus emphasizing quantity of touches and ensuring little to no 'standing around' time.

With this model, players are constantly moving, constantly involved, and constantly being given instruction from professional coaches who have specific experience working with young children.

Membership Fee for this program is **\$25 per month with a maximum \$100 per year.**
