

Welcome back to another year of soccer!

In order to simplify the registration process, the Juneau Soccer Club has setup online registration for the new season. Anyone registered previously will already have most of the information in the system (name, address, phone numbers). Please check to ensure that we have the most current information. To REGISTER: Go to the Soccer Club website at www.juneausoccer.org and click on the registration link on the Home Page. Since you have a returning player your information from last year is already in our system and you will use this username/password to login. If not entered already, you should have your doctor's name, phone number and medical insurance information available. If you do not have this information readily available you can still register for the season and then go back in later to enter medical information as an update to your profile.

Once you log in select the team your child will play on this year. Simply find the category that fits their birthday and click on the circle. Then review the information that was entered from last year's registration form and update anything that has changed. You can select pay by check or by credit card. This year, the \$3 credit card processing fee has been eliminated from the total registration fee. If you choose "pay by check" a receipt will print with the mailing address or you can also put a check in the payment box at the Field House.

JSC 06, 07 or 08 teams (born 8/1/05-7/31/08): Fees are \$25 per month up to a maximum of \$100 for the season (JSC's "season" goes until Aug 30, 2012). You can select how many months you want to pay and pay from \$25 to \$100. You can pay by credit card or check and if you choose to pay for more months at a later time then you will need to mail in a check for the \$25 per month.

JSC 98 to 01 (U12 to U15): Annual fee is now \$350 which is an increase of \$25 from last year. If you use Credit card, the payment can be the full amount or \$200 now and \$150 on December 15th. If you want the split payment then you should select the credit card auto payment option and there will be a \$2 charge for the service. You can also select "pay by check" and can send in the full \$350 or pay the initial \$200 and pay the \$150 by December 15th. The December date gives the player time to fundraise (raffle ticket sales, Mark Kelley calendar sales and goal card sales) for the balance.

JSC High School U16-U19: A change was made to better tailor the type and quantity of training for our players. For this age group, an Advanced Training Program will be conducted for all. Teams may still decide to compete in the summer tournaments, which will provide additional training and require an additional fee for the added training. The fee for the Advanced Training Program will be \$175 for the year. Players forming a team and going into tournament competition will pay an additional \$50 fee to cover the added months.

The Soccer Club encourages all those interested in playing soccer to join. Money should not be the deciding factor. Financial assistance is available for families that need help in order for their child to participate. For questions on financial assistance, please contact Carl Ferlauto at 321-2275.

After we confirm your registration, an email will be sent to you with the registration form filled out and medical/liability waivers. Print two (2) copies of this form and sign both. Then return to your child's coach. One copy will be retained by the coach and one copy will be given to the registrar.

Any questions on usernames or passwords can be sent to Stacie Bentley at mbentley@gci.net Urgent registration questions, questions on how the soccer club operates, or what team your child should be on contact Matt Dusenberry at 586-3053

Welcome back to Juneau Soccer Club!
