The U5, U6/7 program is for ages 4-6 and is designed to be an introduction to the beautiful game, as well as a skill building program for children who have already played. The emphasis in the Academy is FUN! Players will be learning techniques (dribbling, ball control, shooting, etc.) in a fun yet challenging environment. We look to have no more than 1 player to a ball, thus emphasizing quantity of touches and ensuring little to no 'standing around' time. With this model, players are constantly moving, constantly involved, and constantly being given instruction from professional coaches with experience working with young children!

CONSENT FOR MEDICAL TREATMENT (Minor)

As the parent or legal guardian of the above-named player, I hereby give consent for emergency medical care prescribed by a duly licensed Doctor of Medicine or Doctor of Dentistry. This care may be given under whatever conditions are necessary to preserve the life, limb or well-being of my dependent.
